

## Routes earmarked for possible high-speed bicycle connections in Berlin<sup>1)</sup>

Priority of possible future high-speed cycle routes

—U— U-Bahn

—S— S-Bahn

—B— Regional railways

<sup>1)</sup> Feasibility studies are being carried out to examine the feasibility, expected usage and anticipated costs of the routes marked on the diagram. A decision on the construction of these high-speed cycle lanes on the routes under consideration can only be taken once the studies have been completed.
